

**REMARKS**

This Supplemental Amendment is made pursuant to telephone discussions initiated by the Examiner at the instruction of Special Program Examiner Wellington Chin.

Based upon the understanding that special program Examiner raised the question of possible confusion between the nominative phrases “computer-readable media” and “communication media” appearing in paragraph [0079], Applicant’s undersigned attorney has agreed to amend lines 12 and 13 of that paragraph to read “ Communication transmission paths carry ... .”

Based upon the forgoing amendments, there appears no likely confusion between these nominative phrases.

The Special Program Examiner’s attention to this detail, and indication of correction, is noted with appreciation.

In view of the above, it is submitted that the claims of this application are in condition for allowance, and early issuance thereof is solicited. Should any questions remain unresolved, the Examiner is requested to telephone Applicant’s attorney.

No fee is incurred by this Supplemental Amendment.

Respectfully submitted,
